District Focus (New Thinking For New Times):

- All In For Learning
- Operational Efficiency
- Talent, Acquisition and Development
- Teaching and Learning

School Focus:

- Innovative Instructional Practice
- Collaborative Partnerships
- Personalized Student Supports

Mrs. Lyndsay B. Britt, Principal

Motto:

“Every student ready for college and careers”

Mission:

The mission of Hertford County Early College High School is to provide a nurturing environment that prepares students for college and careers through the use of innovative instructional practices, community partnerships, and an infusion of technology.

Vision:

Engaging and challenging students for educational and career opportunities in the 21st century.

Core Beliefs:

Our belief is that all students have an opportunity to learn, grow, and challenge themselves academically to obtain a high school diploma, certificate or/and an associate’s degree in five years or less, prepared to transfer to and graduate from a four-year college or university.

Action Plan for Personalized Student Supports

Goal #1: Social and emotional health fostered across the school community.

Goal #2: Development of a formal advisory structure at all levels.

Goal #3: Individualized student support.

Goal #4: Purposeful planning to develop future-focused student skills (soft skills, metacognitive skills, etc.)
